SCOTLAND'S RAILWAY

Welcome to your new timetable

Travelling with ScotRail is safe, reliable, and green, and one of the most convenient ways to get around.

We are committed to delivering the best possible experience for our customers, which includes making more rail travel affordable, and more environmentally friendly. Removing peak fares for good is making fares simpler, more flexible, and providing better value for money. Currently, 75 per cent of passengers travel on electric or zero emission trains, and are continuing to work towards the goal of having a carbon-free railway in Scotland.

Before you travel, you must hold a valid ticket. We've made it easier and safer to buy tickets with the introduction of mTickets, which are stored in your phone. Simply download the ScotRail App, buy your ticket then scan your phone at the ticket barriers.

We look forward to welcoming you on board.

A photograph of a ScotRail staff member, a Black woman with her hair in a bun, wearing a blue uniform and a name tag, smiling and assisting an elderly white male passenger. She is holding the back of his seat. The passenger is sitting in a blue patterned train seat, smiling back at her. The background shows the interior of a train with windows and overhead luggage racks.

Buying your ticket

You'll always get the best fare if you buy your ticket before boarding your train. You also remove the risk of having to queue for a ticket at busy times when you get off. Find out the different ways to buy your ticket at www.scotrail.co.uk/buy-before-you-board

Seat reservations

Reservations are free when you buy an appropriate ticket for a reservable ScotRail service and are available approximately 12 weeks in advance. Please note that not all ScotRail services are reservable.

Catering

We are covering services on our Far North, West Highland and InterCity routes (with exception of Edinburgh-Glasgow Queen St). For more information on which services are included and a copy of our on train menu check our website

www.scotrail.co.uk/plan-your-journey/stations-and-facilities/on-train-catering

Public holidays

Some services may alter on public holidays. Please check our website before travelling.

Travel Connections

ScotRail is a key part of Scotland's wider transport network. We work with a range of operators to provide connections with other transport modes, including bus, ferry, subway, tram and airport links. For many journeys, combined tickets are available for travel on rail and other modes. For more details on connections between ScotRail and other public transport operators, including integrated tickets, visit

www.scotrail.co.uk/travelconnections

Car Parking and Electric Vehicle Charging

ScotRail operates car parks at 158 of our stations. Our car parks are covered by CCTV and give convenient and secure access to our stations. Most offer free parking but a parking fee applies at 20 of our stations. All of our car parks operate on a first come first served basis and can get very busy during peak periods. Our station pages detail the car parking facilities available, including the number of spaces, opening times and any parking fees. Car park information is listed under 'Interchange'. Electric Vehicle charging points are available to customers at 61 stations. Details of locations and tariff can be found at www.chargeplacescotland.org

Cycles

We carry cycles, subject to certain size and type restrictions, free on all our trains. Please check our website in advance to confirm that your cycle can be carried and also to see if reservations apply on your journey. The majority of our routes do not require a cycle reservation. Cycle reservations are only required on some longer distance routes and can be made online at www.scotrail.co.uk, via our App, by calling 0344 811 0141, or at many ticket offices. Find out more, at www.scotrail.co.uk/cycling

Help us to make your journey as safe as possible

Ensure that you give yourself enough time to catch your train and never try to board or leave a train while the doors are closing or the train is starting to move – please note that train doors close 30 seconds prior to departure time. If the door warning is sounding, it is too late to board or alight the train. Remember to mind the gap when boarding and alighting. Please take the time to read the safety notices on-train and keep your luggage with you at all times. Please note that trains may divide en route – check with staff that you are in the correct portion of the train.

Alcohol

We want everyone who travels with us to be able to do so in a safe and friendly environment. Alcohol may be consumed on our trains between 10.00 and 21.00. Other restrictions may apply in certain circumstances, such as large sporting events or concerts, as determined by ScotRail and the British Transport Police (BTP), on a case-by-case basis.

E-Scooters

We have a temporary ban on the carrying of unregulated lithium powered e-scooters, e-unicycles, e-skateboards and e-hoverboards in all ScotRail managed stations and on all ScotRail service. The ban remains under review, please check our website for changes.

This policy does not apply to personal mobility devices, powered wheelchairs and power assisted bicycles or e-bikes, which are regulated by UK legislation and British Standards. www.scotrail.co.uk/about-scotrail/our-rules-travel/e-scooters

Smoking, vaping or using e-cigarettes

These are all prohibited within any of our trains or stations, including all toilet and platform areas.

Staff Abuse

We will not tolerate abuse towards our staff. Any person being abusive or threatening may be removed from the train or station and charged with a criminal offence.

Delay Repay

You may be entitled to compensation if your journey has been delayed for 30 minutes or more. Please visit www.scotrail.co.uk/delay-repay for more information.

Terms and Conditions

Whilst every care has been taken to ensure the accuracy of the information contained in this timetable, we can accept no liability for any inaccuracies, and reserve the right to change information without further notice.
