Stakeholders with an interest in
Plockton Primary School

Your ref:
Our ref:
Date: 8th October 2026

Dear Stakeholder,

Proposal to Relocate Plockton Primary School

I am writing further to my letter of 15 September 2026 regarding the above proposal. Following consideration of requests from stakeholders for additional time to review information and submit views, The Highland Council has agreed to extend the statutory consultation period further.

The consultation period will now remain open until **Friday 30 October 2026**. This further extension has also been agreed to allow stakeholders sufficient time to review and consider the findings of the Alternative Options Analysis, which has been prepared following the stakeholder meeting held on 28 September 2026. The Alternative Options Analysis will be shared with stakeholders early next week. The Council considers it important that stakeholders have an opportunity to review this additional information and take it into account before submitting their views on the proposal. The revised consultation timetable has therefore been set to support continued participation in the consultation process.

Stakeholders are invited to submit written comments on the proposal no later than Friday 30 October 2026. Responses may be submitted by email to Education.Consultations@highland.gov.uk, by post to Education Business Support Team, Charles Kennedy Building, Achintore Road, Fort William, PH33 6RQ, or via the online consultation form available at:

http://www.highland.gov.uk/schoolconsultations

Copies of the proposal paper and supporting documentation remain available online and can also be accessed at Plockton High School and Plockton Public Library.

Your comments, along with any others received, will be presented in due course to the Highland Council's Education Committee for consideration. Those sending in a response, whether by letter or electronically, should know that their response will be open to public scrutiny and published on the Highland Council's website with signatures, telephone numbers and email addresses removed. If you do not wish your response to be made publicly available, you should clearly write on the document: "I wish my response to be considered as confidential with access restricted to councillors and officers of The Highland Council". Otherwise, it will be

Derek Martin: Strategic Lead-Operations, Education & Learning, The Highland Council,
Glenurquhart Road, Inverness IV3 5NX
Derek.martin@highland.gov.uk 01349 868603

assumed that the person making the response agrees to it being made publicly available.

Lastly, I draw your attention to advice to parents published by the Scottish Government, about changes to schools. This can be found at:

http://www.gov.scot/Topics/Education/Schools/Buildings/changestoschoolestate/SchoolsConsultationScotlandAct2010Leaflet

Yours sincerely

Derek Martin
Strategic Lead - Operations
